Organiser Details:

The modern business industry believe that networking events are not that effective for meeting new people, but they are the best way to start any business relationship. Put yourself in front of several companies in one setting and connect with aspiring businesspeople willing to meet likeminded business owners.

Networking events are a great way to reconnect with weak and dormant ties. Expand your network and increase your circle of influence and build a wider audience for your brand and for yourself.

If you are looking to meet new connections, you simply cannot afford to miss our speed networking sessions. These faced-paced networking sessions allow you to have 1-minute meetings with 20-30 people. It’s fast and it's fun!

Connect with likeminded peoples Face to Face and network One on One with local businesspeople, tagging their names to faces and build a stronger personal connection.

Present your business consistently at a regular interval to the local businesspeople with the ultimate goal to connect and network with aspiring local business and grow your business organically. Work with people you know and that trust you.

Build long lasting relationships with new and existing customers and meet your customers for tomorrow in a consistent and structured way.

Perfect your 60 second pitch and build creditability by sharing the concise and important statements of your business to grab attention and enticing the visitors to meet you over coffee via ZOOM for better understanding of their business.
